EDITOR'S BOTTOMLINE

Ramanujacharya was the avatara of Adi Sesha, and this serpent is considered the embodiment of knowledge. And yet, Ramanujacharya spent a year studying Ramayana from his maternal uncle Thirumalai Nambi, to fully understand the tattvas in the Itihasa. Such is the nature of the tattvas in the Ramayana. These tattvas have to be explained by a scholarly Acharya, said M.A. Venkatakrishnan in a discourse.

In the Bhagavad Gita, Lord Krishna tells Arjuna that all things in this world are like gems joined to Him as if by a thread. If we read this verse in the context of the Ramayana, then we can say that the story of the Ramayana is the thread that holds together the tattvas, which are the gems. When Narada went to meet Valmiki, the latter gave a list of 16 qualities, and asked Narada who had all these qualities. Valmiki further added the condition that that person had to be present in the world at that time. Narada's thoughts immediately went to Rama.

Valmiki already knew about Rama, for Rama had first called on Valmiki, before proceeding to sage Bharadwaja's ashram. But he wanted to hear the sagacious sage Narada speak of Lord Rama's qualities. Narada was known as a tapasvi, one who was steeped in the study of the Vedas, and was also the most eloquent among rishis. Hence, Valmiki wanted to hear sage Narada speak of Lord Rama and to affirm to the world the auspicious qualities of the Lord in this avatara.

Restaurant serves raw octopus eggs

Singapore city: A Japanese food restaurant in Singapore recently attracted criticism online for serving a bizarre-looking dish consisting of a raw octopus egg sack.

Known as tako tamago, it is the strange dish that landed Singapore restaurant Koji in hot water. It is basically a large white sack with a very flexible membrane that conceals hundreds of oblong octopus eggs swimming in a viscous fluid. The sack is served raw and melted with a blow torch to release the eggs inside onto the plate. The eggs are usually served with soy sauce and have a taste similar to that of salmon roe.

However, the feedback on Koji's latest offering hasn't all been positive. Some outraged social media users claimed that serving raw octopus eggs was wrong and that not everything has to be eaten.

Man shocked to learn that his wife is a man

Jakarta: A young Indonesian man recently got the shock of his life after learning that his wife of 12 days was actually a man disguised as a woman.

Indonesian media recently reported the strange case of a 26-year-old man referred to only by his initials, AK, who ended up calling the Police after finding out that the woman he had married only 12 days prior turned out to be a man in disguise. The man allegedly met his bride-to-be on the internet and after hitting it off, the two decided to meet in person. AK admitted that he fell in love with his future wife the moment he saw her for the first time and after meeting cordially a few times, he got the courage to ask her out on a proper date.

AK's family decided to investigate his new wife and discovered that her father was still around. It was he who revealed that Adina was a man referred to only by his initials, ESH. AK's family told him the truth about his new wife and they agreed to notify the Police.

Farmers stage protest demanding jobs for land losers

Mysuru, May 10 (GA&DM)- Demanding jobs for children of land losers who parted their lands for setting up of Industries, farmers under the banner of various organisations such as 'KIADB ge Bhoomi Needida Raithara Hakkugala Horata Vedike', 'Janandolangala Mahamaitri', 'Karnataka Rajya Raitha Sangha' and 'Akhila Bharata Raitha Krushi Karmikara Sanghatane,' staged a demonstration in front of the Deputy Commissioner's Office on Bannur Road in Siddarthanagar here yesterday.

"The land of farmers coming under the limits of Adakanahalli, Tandya and Immavu Industrial areas of Varuna Assembly segment was acquired by the Karnataka Industrial Areas Development Board (KIADB) 15 years ago for setting up Industries. But so far, the children of farmers have not been provided permanent jobs in industries. After repeated protests and representations, the Government constituted a Committee headed by KIADB CEO in 2023 for providing jobs to children of land loser farmers. Subsequently, a District-level committee headed by the Joint Director of Industries too was formed to look into the matter. This committee received applications from job seeking children of land losers. However, only a handful of the applicants have got jobs in the past eight months", the protestors alleged.

Charging the Committee of cancelling a crucial meeting with farmers on the pretext of Lok Sabha polls, the protestors alleged that the Committee was not acting in the interest of the farmers, the protestors said.

On the other hand, the farmers are left nowhere to go after losing their land and also not getting the promised jobs, they added and called for the intervention of the Deputy Commissioner for rendering them justice by providing them the promised jobs in Industries.

Farmer leader Bokkahalli Nanjundaswamy, AIKKMS office-bearer H.M. Basavaraju and others were present.

Court adjourns Revanna's bail plea hearing to May 13

Bengaluru, May 10 (VNS)- The Special People's Representatives Court adjourned the bail plea hearing of former Minister and Holenarasipur MLA H.D. Revanna to May 13.

H.D. Revanna

The JD(S) leader, who was arrested by the Special Investigation Team (SIT), has been named as the prime accused in the alleged abduction of a woman and was remanded to Police custody till May 8. The SIT produced Revanna before the Court following the completion of custody. Revanna has been remanded to judicial custody till May 14. A kidnap case was registered against Revanna following a complaint by the woman's son, who alleged that his mother was sexually abused by Revanna's son and Hassan MP Prajwal Revanna. The kidnap case is linked to the allegations of sexual abuse of women by Prajwal Revanna.

SSLC results: Two students end lives

Mandya, May 10 (KS)- Two students in Mandya district have committed suicide. While one student ended his life for failing in SSLC exam, a girl student, assuming that she had failed in the exam, though she had passed, has also committed suicide.

Likith

Amrutha

The deceased students have been identified as Likith (15), of Taggahalli village in Maddur taluk and Amrutha (15), of Huligerepura village, also in Maddur taluk of Mandya district.

Likith, who went to his school following announcement of SSLC exam results yesterday, was told by his teachers that he had failed in two subjects. As Likith became depressed, his teachers consoled him and advised him to prepare for the supplementary exam and sent him home.

But Likith, fearing that his parents would scold him for failing in the exams, went to the agricultural field, where he found a rope used to tie a cow and reportedly hanged himself from a tree, it is learnt.

Likith's parents, who went to the school as he had not returned home were told that he (Likith) had failed in two subjects and he went home. Likith's parents, who went in search for him, went near the agricultural field only to see him hanging from a tree. They immediately brought him down, but he had died by then.

In the second case, the girl student, identified as Amrutha, a student of Poornima High School at Nagarakere village and a resident of Huligepura village is the one who ended her life though she had passed in the exam.

She had scored 57 percent in the exam, but assuming that she had failed, she ended her life by hanging self at her home.

The hasty decisions taken by the two students have made their family members mourn.

Retired Bank employee commits suicide

Chamarajanagar, May 10 (KS)- A retired Bank employee, said to be depressed in life, committed suicide by jumping into a lake at Bendaravadi in the taluk on Wednesday night.

Prasad

The deceased has been identified as Prasad, a resident of Shankarapura Layout in city.

He was serving as the Vice-President of taluk Seva Dal and was involved in social works. Following the demise of his wife during COVID-19 pandemic, Prasad was leading a lonely life.

Depressed over leading a lonely life, Prasad, ended his life by jumping into the lake on Wednesday night and his body was found floating in the lake yesterday morning, Police said.

Chamarajanagar Rural Police have registered a case.

VOICE OF THE READER

Let's strive to make our city a safe, clean and liveable place

Sir,

This refers to the news item titled ***'Free meals in exchange for plastic waste'*** in *SOM* dated May 7. Deputy Commissioner Dr. K.V. Rajendra stated that the district administration is considering adopting the Chhattisgarh model to address the issue of plastic waste accumulation.

While Municipal authorities in Chhattisgarh have successfully implemented and seen the project thrive, officials at Mysuru City Corporation (MCC) have previously attempted to replicate Indore model without success.

This failure is attributed to the negligence of MCC officials and the MCC Commissioner in addressing issues such as garbage accumulation, waste management, chemical effluents, stray cattle and plastic waste.

There appears to be a lack of dedication or commitment from MCC to address the city's cleanliness. For instance, despite recent storms causing trees to fall, many fallen trees and branches remain uncleared throughout the city, demonstrating MCC's disregard for civic cleanliness.

However, initiatives like the installation of a plastic water bottle recycling machine at Nexus Mall in Mysuru showcase commendable corporate social responsibility (CSR) and awareness toward plastic recycling by the mall owner.

It is acknowledged that citizens also bear responsibility for the city's unclean environment and the spread of diseases. Despite efforts to educate the public, challenges persist due to illiteracy, unemployment and a lack of awareness among some segments of the population.

Furthermore, the reckless behaviour of drivers on the roads reflects broader societal issues such as unemployment, lack of education and irresponsibility.

Citizens, MCC officials, the Police Commissioner and other authorities concerned must work collaboratively to improve the city's cleanliness, safety, and liveability.

Achieving the Cleanest City award for Mysuru remains a distant goal, emphasising the need for collective efforts and commitment from all stakeholders.

DDPI fetes SSLC toppers

D.S. Dhanvee of Sadvidya and S. Jahnavi of BVB School

DDPI H.K. Pandu felicitating two students, who topped the district in SSLC exams by scoring 623/625 — D.S. Dhanvee of Sadvidya School, Vijayanagar and S. Jahnavi of BVB School, Vijayanagar — at his Office in city yesterday. Dhanvee's parents Sudhanva & Kusuma (both lecturers) and Jahnavi's parents Shivakumar (security guard) & Pushpalatha (home maker) are also seen.

Mysuru, May 10 (SBD&BS)- With Mysuru, the home district of Chief Minister Siddaramaiah, faring well in the results of SSLC exams by catapulting to seventh place from the previous 19th position, the desire of the CM to see improvement in students performance has been fulfilled.

Following the dismal performance of the district in SSLC exams in the last three years, the CM had categorically instructed the Department of School Education and Literacy at the progress review meeting to improve the overall pass percentage to find a place among top five districts. The CM had also instructed the Mysuru Deputy Commissioner to take a serious look into it.

All efforts made to improve the results bore fruits with the district securing 87.19 overall pass percentage this year against 83 percent achieved in previous SSLC exam.

A total of 36,796 students including 17,847 boys and 18,949 girls had appeared for SSLC exam in the district and among them 14,681 boys (82.26%) and 17,402 girls (91.84%) totalling 32,083 students have passed. With this, the girls have also outnumbered boys in the results.

Among the students who have passed, 1,466 have secured A+ grade, 4,168 A grade, 6,044 B+grade, 7,524 B grade, 8,233 C+ grade and 4,648 students C grade.

On the flip side, a total of 4,713 students have failed including 3,166 boys and 1,547 girls. Of the total 291 students requiring special needs (CWSS), 225 (77.32%) have passed, according to the Deputy Director of Public Instructions (DDPI) H.K. Pandu.

Centum for 148 schools

A total of 148 schools among 680 schools in the district including 226 Government Schools, 133 aided and 271 unaided schools, have secured 100 percent results. Of 148 schools, 45 are Government Schools, 10 aided and 93 unaided schools. However, no schools in the district have got zero results, which is a matter of relief.

T. Narasipur first

Academic taluk-wise, T. Narasipur has finished first with 93.30% overall results, followed by Mysuru Rural - 93.05, Mysuru South - 90.42, KR Nagar - 89.48, Nanjangud - 86.74, Hunsur- 85.24, Mysuru North - 84.68, Periyapatna - 81.03 and H.D. Kote - 79.09.

620 and above scorers

In all, 11 students of the district have secured 620 and above marks for 625 thus securing the top slot. D.S. Dhanvee of Sadvidya School, Vijayanagar and S. Jahnavi of BVB School, Vijayanagar have scored 623; Pratham S. Bharadwaj of Vijaya Vittala School - 622; A. Kavyashree and R. Bhoomika of Sadvidya School, B. Sudeepta of Vijaya Vittala and S. Pragati of BVB have secured 621; Anvitha B. Bhat of Savitri Convent, Srigowri S. Kumar of Sadvidya and M.D. Sudiksha of Vijaya Vittala have secured 620 marks.

As many as 29 students of Government Schools too have scored 600 and above, that includes H.M. Bandhavya of Adarsha Vidyalaya, Debur in Nanjangud taluk, who has secured 618 marks, S. Sneha of Adarsha Vidyalaya, Chikka Hunsur, 613 marks.

Concerted efforts yielded good results: DDPI H.K. Pandu

Mysuru, May 10 (SBD & BS)- DDPI H.K. Pandu has attributed the drastic improvement in SSLC results in the district to the concerted efforts of all those in the Department of School Education and Literacy.

Following the task set by the Chief Minister at Karnataka Development Programmes (KDP) progress review meeting, the district team executed the task well under the directions of District Minister, Deputy Commissioner and Chief Executive Officer of Zilla Panchayat.

Exam Nodal Officer Nirupa Wesley and all others on board the District Team burnt midnight lamp to the implement the action plan. Besides, Primary School Teachers Association, High School Teachers Association, Head Masters Association, Non-Teaching Faculty Association also extended their cooperation, not to forget the efforts made by all Block Education Officers (BEO), Head Masters and Assistant Head Masters, he said thanking them all for the results.

Similar preparation is in place for this year's exams too, with 80 percent of the text books already received and will be distributed in a few days time.

Reason for dip in State results by 10 percent

Meanwhile, the fall in overall results in SSLC exams in the State by 10 percent compared to previous year is believed to be due to the stringent measures taken to check exam malpractices.

According to Karnataka School Examination and Assessment Board (KSEAB), the overall pass percentage this year is 73.40 which is down by more than 10 percent as compared to last year's 83.89 percent.

KSEAB authorities are of the view that, the incorporation of technology to monitor the class rooms during exams through CCTV cameras and webcasting, in all the districts in the State may have helped in preventing the possibilities of malpractices.

The SSLC Board exam was held from Mar. 25 to Apr. 6 at 2,750 centres in 35 educational districts of the State, in which 8,59,967 students appeared.

Ministry of Education honours 'Anytime Education' device

Developed by Mysuru-based Excel Public School students, device aims to bridge digital gap, providing uninterrupted learning

Divya Satish

Eshanvi and C.B. Swarna

Mysuru, May 10 (BCT)- The 'Anytime Education' device developed by the students of Mysuru's Excel Public School has been recognised by the Ministry of Education (MoE) as one of the top 20 innovations at the 'School Innovation Contest' 2023-24.

Launched by the MoE in August 2023, the contest invited over 6,000 project submissions from across the country, aimed at fostering a culture of innovation in all Higher Education Institutions and schools.

Over the past 8 months, students **Eshanvi Nandeesh Preetham, C.B. Swarna and Divya Satish** underwent boot camp training leading up to an elevator pitch to the Ministry.

Their pitch for 'Anytime Education' was among the 20 selected nationwide for funding. The students received the first tranche in March and anticipate the second tranche in June.

Ministry funding will support further product development and marketing across relevant forums and exhibitions. The innovation will also feature at the NEP National Level Exhibition in Delhi in July 2024.

Despite efforts to digitise education, studies by the Azim Premji Foundation and Oxfam India revealed challenges in online learning access for nearly 60 percent of Indian school children, including urban private school students facing internet connectivity issues and mobile data costs.

The 'Anytime Education' device aims to bridge this digital gap, providing uninterrupted education delivery, especially in remote areas.

Powered by a solar panel with a backup, the device offers preloaded digital content, enabling offline learning. Students access a diverse educational library and personalised real-time learning schedules from subject experts.

Inspired by the Philippine model of HAM radio use, the A.T.E device connects students with teachers for direct discussions. Content is available in English and Kannada.

Reflecting on their journey, student entrepreneurs Eshanvi Nandeesh Preetham, Swarna and Divya Satish said, "Our journey began with a simple yet profound goal: to provide education to children in remote areas. Throughout this process, we've gained valuable technical skills, including proficiency in HAM radios, HTML coding, and prototype building."

"Over the past 8 months, we've honed our problem-solving abilities and grasped the essence of entrepreneurship—innovating with efficiency while meeting end-users needs. We aspire to further develop our product, deploy it across villages in India, and make a meaningful societal impact," they added.

School Principal K.G. Mathew commended the students' achievement, highlighting its potential to deliver education at scale, particularly in underserved regions.

CEO D. Sudhanva praised the students for their socially impactful innovation, emphasising their commitment to 'Education for All'.

New office-bearers for SKAL International Mysore

New office-bearers of SKAL International Mysore *(from left)* ***Samarth Vaidya, S.J. Ashok, B.S. Prashanth, C.A. Jayakumar, M.L. Nagesh and M.P. Dhatri Bharadwaj.***

Mysuru, May 10 (OSR)- The new office-bearers of SKAL International Mysore were elected at the Annual General Meeting which took place on Monday last at a city hotel.

C.A. Jayakumar assumed charge as President, M.L. Nagesh as Secretary, S.J. Ashok as Vice-President, Samarth Vaidya as Treasurer and Dhatri Bharadwaj as PR Director.

Addressing the gathering, Jayakumar, the newly elected President, emphasised the potential for tourism development in Mysuru, stating, "Mysuru is a beloved tourist destination, yet there is ample room for growth in the tourism sector. As President of SKAL, I am committed to actively fostering tourism development. We have devised plans to organise numerous programmes in collaboration with our office-bearers and members."

Reflecting on his tenure, B.S. Prashanth, the immediate past President of SKAL International Mysore, expressed gratitude to his team for their support throughout his two-year tenure.

He reminisced about the successful SKAL India Congress held in Mysuru last year, hailing it as the flagship event during his presidency. Also in attendance were office-bearers from SKAL International Bangalore, including Sudipta Deb, Ayyappa Somaiah and Manimegalai, along with members of SKAL Mysore.

State reverts to 3-year degree programme; scraps 4-year plan

Bengaluru, May 10 (Agencies)- The State Congress Government has issued an order withdrawing the option for college students to study a four-year degree programme from the 2024-25 academic year. The order follows recommendations made by the State Education Policy (SEP) Commission in its interim report.

Following this order, the State Government has reverted to the conventional three-year degree programme that existed prior to 2021-22 when the State adopted the National Education Policy (NEP). The State, then under the BJP Government, was the first to adopt NEP, only to be scrapped by Congress Government which came to power in May 2023.

Standing by its decision, the Higher Education Department attributed it to extensive consultation by the SEP Commission. The recommendations were based on historical experience, the principle of overall interests of the students, equity, social justice and equal opportunity for students from different socio-economic backgrounds.

Musical programme on May 12 at Jaganmohan Palace

Mysuru, May 10 (MTY&VNS)- Hosa Belaku Gayana Thanda will be organising a musical evening at Jaganmohan Palace auditorium in city on May 12 from 4 pm, said Thanda President Usha Sudhakar, here yesterday.

Addressing the press persons at Patrakarthara Bhavan, she said that a total of 26 singers will render 32 songs originally sung by Dr. Rajkumar, Dr. Puneeth Rajkumar and Dr. S.P. Balasubramaniam and added the event would also feature upcoming singers along with senior artistes. Entry is free to the event.

Man beheads girl on her SSLC results day in Kodagu

Victim had passed SSLC exam despite many adversities

Madikeri, May 10 (PS&BCT)- In a horrifying incident, a 16-year-old girl, who had passed her SSLC exam, the results of which were declared yesterday, was murdered and her severed head was taken away by the killer in Mutlu village in Somwarpet Taluk of Kodagu district late last night.

Accused Prakash

The victim, identified as U.S. Meena, was a student at Surlabbi Government High School and the daughter of Subramani and Mutthakki, residents of Kumbaragadige village near Mutlu. The couple has four daughters and two sons. Meena was the youngest. The accused has been identified as 32-year-old Prakash.

Meena was the sole student attending the school, situated in a remote area amidst the Western Ghats. She undertook a five-kilometre walk from her home to the school daily. Surlabbi Government High School is located on the border of Somwarpet and Madikeri taluks, serving children from Mutlu, Hammiyala, Mankya and Kumbaragadige villages. Over the past decade, transportation in the area has been limited, with only one Government bus operating on the Surlabbi road.

Despite facing hardships and lacking basic amenities, Meena achieved a remarkable score of 314 marks in her SSLC exam. Being the sole student at Surlabbi Government High School, her success led to the school achieving a 100 percent pass rate, a feat that earned a commendation from the school headmaster.

Officials thwart engagement

Meena's family had arranged her engagement with Prakash, a fellow villager and yesterday was supposed to be the ceremony. However, as Meena was still a minor, someone alerted officials from the Women and Child Development Department.

Acting swiftly, the officials intervened and halted the engagement, informing both sets of parents that Meena's underage status rendered any marriage illegal.

Subsequently, both families agreed that Meena would only be married once she reached the legal age. Despite this agreement, Prakash forcibly entered Meena's home last evening and allegedly abducted her. He then reportedly took her to a location near the forest's edge, where he murdered her, before fleeing the scene with her severed head.

Meena's parents told the Police that Prakash entered the house at around 5.30 pm and dragged Meena out of her house for about 100 metres. Before taking away Meena, Prakash assaulted Meena's parents and blamed them for breaking the engagement.

A team from the Forensic Science Department visited the site of the murder and conducted an investigation.

The murder has sent shockwaves, casting a shadow of sorrow over Kumbaragadige village, which mourns the loss of a talented student.

City circular bus services

(Continued from page 1)

Initially, buses will operate along two circular routes at regular intervals. Depending on the response received, the number of routes and buses will be expanded later on.

Speaking to *Star of Mysore* this morning, KSRTC Divisional Controller (Traffic) H.T. Veeresh revealed that two routes have been finalised for the city circular services, operating clockwise and anti-clockwise to connect the Sub-Urban Bus Stand, City Bus Stand and the Railway Station.

The first route will commence clockwise from the City Bus Stand, proceeding towards Double Road, Ramaswamy Circle, JLB Road, Field Marshal K.M. Cariappa Circle (Metropole Circle), Dasappa Circle, City Railway Station, Irwin Road, K.R. Hospital, Sub-Urban Bus Stand, Nazarbad BSNL Office, Hardinge Circle, and finally returning to the City Bus Stand.

On the other hand, the second route will begin from the City Bus Stand and travel towards Mysuru City Corporation Office, Hardinge Circle, Palace South Gate, Sub-Urban Bus Stand, Irwin Road, K.R. Hospital, City Railway Station, Dasappa Circle, Ramaswamy Circle, Double Road, Sanskrit Patashala, before re-entering the City Bus Stand in the anti-clockwise direction.

These circular routes will offer direct connectivity to different neighbourhoods, alleviating congestion at the City Bus Stand. "Initially, we will deploy two buses on these routes, and based on the feedback received, we will increase the number of buses on existing routes and establish new ones," Veeresh stated.

He further explained that once a bus completes its designated route, it will immediately commence another circuit travel. There will be no fixed schedule, as the buses will operate continuously from morning until the conclusion of city services.

Entrance test for admission to 6th std

Mysuru, May 10- The entrance test for admission to Sixth standard in Dr. A.P.J. Abdul Kalam Residential School, Doddakanya, Mysuru taluk and Morarji Desai Residential Schools at Periyapatna and T. Narasipur in the district will be held on May 19 (11 am to 1 pm) at Maulana Azad Model School near Shobha Garden on Mysuru-Bengaluru road and at Maulana Azad Model School, Bazaar Road, Hunsur, according to a press release issued by the Minorities Welfare Department.

Hale Unduwadi Drinking Water Project

Additional Chief Secretary reviews progress; gets update from officers

Additional Chief Secretary (ACS) for the Rural Development and Panchayat Raj Department, Anjum Parvez, inspecting the Hale Unduwadi Drinking Water Project along with Zilla Panchayat CEO K.M. Gayathri and other officials yesterday.

Mysuru, May 10 (BCT)- Additional Chief Secretary (ACS) for the Rural Development and Panchayat Raj Department, Anjum Parvez, inspected the Hale Unduwadi Drinking Water Project, which is nearing approximately 65 percent completion.

Yesterday, the ACS began his inspection in Hunsur, where he reviewed lake projects at Mallinathapura Lake and Pattaladammana Lake undertaken as part of the Mahatma Gandhi National Rural Employment Guarantee (MGNREGA) Scheme.

Subsequently, he proceeded to Mysuru and visited the Hale Unduwadi village in Mandya District. Here, extensive civil engineering works are currently in progress for a large-scale water supply project, drawing water from the Krishna Raja Sagar (KRS) Dam backwaters.

Initiated in June 2021 by Karnataka Urban Water Supply and Drainage Board (KUWS&DB), the project, estimated at Rs. 465 crore, aims to provide drinking water to Mysuru city and 92 surrounding villages.

It is projected to be completed by 2025. Upon completion, the project will facilitate the supply of Cauvery water from KRS Dam to Mysuru city, as well as to 139 villages in Chamundeshwari Assembly Constituency and 277 villages in the Hunsur Assembly segment.

The ACS toured the construction site near Hale Unduwadi, the water purification unit under construction near Megalapura, and the canal route site. During his visit, he engaged with engineers and workers and discussed the project's progress with officials.

Providing an update to the ACS, it was conveyed that a pipeline spanning 21.25 km has been successfully constructed up to Mysuru city, with provisions made for electricity connection to static locations along the route. However, pending tasks include the installation of a 12 km long, 66 KV capacity express feeder line, for which the KUWS&DB will need to initiate a tendering process.

Additionally, it was highlighted that the construction of a 3.45 km embankment around the pumping station area, starting from the KRS backwaters, is yet to be initiated. Furthermore, the completion of the pumping station and pipeline electrical connection work remains pending. Once these tasks are finalised, the KUWS&DB will be prepared to commence water supply operations, as briefed to the ACS.

Zilla Panchayat CEO K.M. Gayathri, Deputy Secretary Jagannath Murthy, Taluk Panchayat Executive Officer T. Pradeep and Engineer from Rural Drinking Water and Supply Department Ranjit Kumar, were present during the inspection of the project sites.

Ahead of Dakshin Bharat Utsav - 2024 in Bengaluru

Road show in Mysuru seeks travel, tourism investments

FKCCI President Ramesh Chandra Lahoti (fourth from right) releasing a brochure of Dakshin Bharat Utsav - 2024 in Mysuru last evening as (from left) FKCCI Tourism Committee Vice-Chairman S. Nanjunda Prasad, MCCI President K.B. Lingaraju, FKCCI Tourism Committee Advisor - Chairman K. Shiva Shanmugam, FKCCI Sr. Vice-President M.G. Balakrishna, Tourism Department Joint Director M.K. Savitha, FKCCI Vice-President Uma Reddy and FKCCI Past President B.V. Gopal Reddy look on.

Mysuru, May 10 (BCT)- As a precursor to Dakshin Bharat Utsav - 2024 scheduled to take place on June 15 and 16 in Bengaluru, a road show was conducted at a private hotel in Mysuru yesterday, covering Mysuru, Mandya and Chamarajanagar districts. The intention was to look forward to investments in the travel and tourism sectors.

Dakshin Bharat Utsav is an initiative led by the Federation of Karnataka Chambers of Commerce and Industry (FKCCI), in collaboration with the Department of Tourism. It is set to be hosted at the Princess Shrine, Gate No. 9, Palace Grounds, Bengaluru, on June 15 and 16.

This event will showcase the tourism potential of Southern Indian States while emphasising investment opportunities and employment generation. The Utsav will highlight investment prospects and promote employment within tourism sector, aiming to exhibit tourism potential of Southern States globally.

The Mysuru road show aimed to highlight South India as a top-tier tourism destination while extending invitations to interested MSMEs to invest in tourism sector. Mysuru, situated in the southern part of Karnataka, is a vibrant fusion of history, culture and grandeur. Over 100 entrepreneurs and tourism stakeholders attended the road show.

Mysuru's iconic Palace, bustling markets and lively Dasara festival make it an enchanting destination. The streets are filled with the fragrances of sandalwood and jasmine, adorned with traditional silk sarees, intricate handicrafts and aromatic spices. Drawing millions of tourists, the ten-day Dasara celebrates the victory of good over evil.

Present at the event were Ramesh Chandra Lahoti, President of FKCCI; M.K. Savitha, Joint Director of the Tourism Department; M.G. Balakrishna, Sr. Vice-President of FKCCI; Uma Reddy, Vice-President of FKCCI; B.V. Gopal Reddy, Immediate Past President; K. Shiva Shanmugam, Advisor and Chairman of the Tourism Committee; K.B. Lingaraju, President of Mysore Chamber of Commerce and Industry (MCCI) and S. Nanjunda Prasad, Vice-Chairman of FKCCI Tourism Committee.

The two-day Dakshin Bharat Utsav-2024 aims to highlight investment opportunities and foster employment generation within the tourism sector.

This vibrant event is meticulously designed to engage and empower stakeholders in the dynamic tourism industry.

Activities include the Tourism Investors Meet, an exhibition spotlighting the culture, cuisine and tourism offerings of the Southern States, conferences, and networking opportunities through B2B and B2G interactions.

This collaborative effort between FKCCI and Karnataka Department of Tourism underscores a shared commitment to leveraging tourism as a driver of economic prosperity and social advancement.

Through strategic partnerships and innovative initiatives, the Dakshin Bharat Utsav seeks to promote inclusive growth, create employment opportunities and position Southern India prominently on the global tourism map.

Sex Scandal Case

CM Siddu says 'NO' to CBI probe

People must have faith in Karnataka Police; Denies role of Dy.CM in the case

Mysuru, May 10 (MTY&VNS)- With rumours about sex scandal case involving Hassan MP Prajwal Revanna and alleged kidnap case involving his father H.D. Revanna likely to be handed over to the Central Bureau of Investigation (CBI) making rounds, Chief Minister Siddaramaiah quashed all rumours stating that the Special Investigation Team (SIT) constituted by the State Government would continue to investigate the case, here this morning.

Speaking to mediapersons at the Mysuru Airport in Mandakalli, CM Siddaramaiah, who returned to Mysuru after brief holiday in Ooty to take part in the Basava Jayanthi celebrations, said that one should have faith in Karnataka Police who have solved many cases in the past.

Commenting on former CM H.D. Kumaraswamy meeting Governor Thaawarchand Gehlot with a request for a CBI inquiry into the case, CM Siddaramaiah said that the SIT had been constituted in accordance with the law and added that the State Government had full faith on the SIT to come out with the truth.

"During my previous term as Chief Minister between 2013-18 many cases including D.K. Ravi case, K.J. George case, Lottery case, Paresh Mesta death case among others were handed over to CBI which yielded no result. While the Congress Government had handed over many cases to CBI for investigation, the subsequent BJP State Government did not handover even a single case to the central agency during its tenure," said Siddaramaiah.

Stating that BJP and former PM Deve Gowda had developed a sudden affection towards CBI, CM Siddaramaiah said while BJP had termed CBI as 'Corruption Bureau of Investigation', former PM Deve Gowda had called the central agency as 'Chor Bachao Institute'.

When asked about the need to investigate the case at an international level, Siddaramaiah said there was no need for such an investigation expressing confidence of a thorough investigation by the SIT.

Commenting on the allegations of Deputy Chief Minister D.K. Shivakumar being involved in the case, Siddaramaiah added neither him nor D.K. Shivakumar were involved in the case and added he had never in his political career had asked the Police to work beyond the ambit of the law.

Further, commenting on alleged kidnap case involving former Minister H.D. Revanna, CM Siddaramaiah questioned if a false FIR was filed in the case, as alleged by H.D. Revanna, then why did the Court reject the interim anticipatory bail and if the former Minister was innocent what was the need to file for an interim anticipatory bail.

Chief Minister Siddaramaiah showering flower petals on the statue of 12th century Social Reformer and State's Cultural Leader Basaveshwara at the Gun House Circle in city this morning as part of Basava Jayanthi celebrations. Also seen are Suttur Mutt Seer Sri Shivarathri Deshikendra Swamiji, Basava Balagagala Okkuta President M. Pradeep Kumar, MLA H.M. Ganesh Prasad and former MLA M.K. Somashekar.

Basava Jayanthi celebrations

Speaking about Basava Jayanthi celebrations, Siddaramaiah said that the celebration was being held in a low-scale owing to Model Code of Conduct for LS Polls which was in effect. He lauded Basavanna for his contributions in reforming the society by fighting against social evils and added most of his preaching were relevant even to this day.

Later, CM Siddaramaiah visited the Gun House Circle and garlanded the statute of Basavanna on the occasion Basava Jayanthi celebrations. Suttur Mutt Seer Sri Shivarathri Deshikendra Swamiji, Social Welfare and District In-charge Minister Dr. H.C. Mahadevappa, MLAs K. Harishgowda, H.M. Ganesh Prasad and A.R. Krishnamurthy, MLC Dr. D. Thimmaiah, former MLA M.K. Somashekar, Karnataka Exhibition Authority Chairman Ayub Khan, MUDA Chairman K. Marigowda and others were present.

Siddaramaiah lauds SSLC topper

Mysuru, May 10 (MTY&VNS)- Chief Minister Siddaramaiah lauded State SSLC topper Anika Basappa, a student of Morarji Desai Residential School in Bagalkot district, for scoring the maximum marks (625/625) in the results announced yesterday.

Anika Basappa

Speaking to mediapersons on his arrival at Mysore Airport he said that there were more than 900 residential schools in the State and mentioned that residential schools were established to provide quality education to rural students and to help in their endeavours to build a bright future.

Regarding Mysuru district securing seventh place despite his instructions to ensure the district comes in the top 5 districts, CM Siddaramaiah added he would instruct the concerned officials to come out with innovative ideas to improve the SSLC results in the district.

100 e-buses to arrive soon; 118 city buses will be scrapped

Mysuru, May 10 (RK&BCT)- The 'PM-eBus Sewa' project, implemented by the Ministry of Housing and Urban Affairs (MoHUA), is set to be launched in Mysuru shortly. Under this initiative, Mysuru is slated to receive 100 e-buses. "Upon receiving these buses, 118 city buses in poor condition will be decommissioned," said KSRTC Divisional Controller (Traffic) H.T. Veeresh.

Speaking to *Star of Mysore* this morning, Veeresh elaborated on the 'PM-eBus Sewa' project, highlighting that cities with populations ranging from 5 to 10 lakh, including Mysuru, Belagavi, Kalaburagi, Hubballi-Dharwad, and Mangaluru, will each be allotted 100 buses. Meanwhile, cities with populations below 5 lakh, such as Ballari, Vijayapura, Davangere, Shivamogga, and Tumakuru, will receive 50 buses each.

Veeresh further explained that with the introduction of these buses, the KSRTC plans to launch area-to-area bus services, eliminating the need for passengers to commute to the City Bus Stand. For instance, routes like J.P. Nagar to Hebbal, Siddhartha Layout to Vijayanagar, and J.P. Nagar to Siddhartha Layout will be serviced by these buses, which will operate on longer routes without entering the City Bus Stand.

Currently, 493 buses are operating within the city limits of Mysuru. Out of these, 118 buses are in poor condition and will be decommissioned upon the arrival of the 100 e-buses as part of the 'PM-eBus Sewa' project. Additionally, 50 new dark blue-coloured buses will be introduced under a State Government scheme.

"We also have 22 Volvo services that are in good condition, serving routes such as Chamundi Hill and Infosys, Hebbal," added the KSRTC Divisional Controller (Traffic) H.T. Veeresh.

Bhagini Ramotsava - Music Festival

A marvellous blend of melody and skill

Some concerts please you, some make you happy, some highlight the technical brilliance; but some concerts bring you pure bliss wherein there is room for pure music and pure music only.

Mysore Chandan Kumar's concert on the fifth day of Bhagini Ramotsava was one such concert. While the concert proved the technical skills of the artiste, it brought pure joy to the listeners with his intricate and melodious composition renderings. With scintillating, primal tones, Chandan truly sang through his flute.

Chandan Kumar presenting flute concert at BSS Vidyodaya in Krishnamurthypuram, Mysuru, on May 9 as part of 'Bhagini Ramotsava - Music Festival.' He is accompanied by Vid. Gokul on violin, Vid. Sai Giridhar on mridanga and Vid. G.S. Ramanujam on ghata.

'Karunimpa' the Shahana varna by Tiruvitriyur Tyagayyar was the first offering. Prayer to Ganapati was through the next composition 'Siddhi Vinayakam anisham' by Deekshitar in Shanmukhapriya, for which an array of swaras were knitted for the pallavi. Young **Gokul** smilingly and intellectually replied to all the challenges thrown by the artiste with confidence. 'MAyamma anine pilachite' in Ahiri was presented with poise and emotive appeal.

Chandan had chosen two main items for the concert. The first was 'MarivEre dikkevarayya RAma' in Latangi set to Adi Tala composed by Patnam Subramanya Iyer. Chandan uses a range of flutes (3-4) to cover different octaves.

His raga elaboration of Latangi in lower notes with meaningful pauses gradually progressing to Madhya sthayi and to the Tara sthayi with different flutes showcased the essence of the raga, giving a fulfilling feel to the listeners. A detailed neraval at 'DharalOna nee sATi daivamu' explored the raga more in depth. The swarakalpana centering around 'g', was characterised by intricate improvisations and pulsating rhythmic variations.

What was most appreciative about the entire concert was there was no 'running after speed' anywhere. Every moment of it was peaceful, melodious and joyful, at the same time being lively wherever necessary. Even 'Raga sudharasa' by Tyagraja, though chosen as filler, was presented with calm and aplomb.

The other toast of the evening was Kapi. During the alapana of Kapi, chandan's fingering techniques producing echo effects with fast phrases was highly effective. Gokul's version of Kapi was blissful and equally impressive. Tyagaraja's 'Inta Soukhya' was rendered in the right speed, effectively reproducing the lyrics of the composition. The detailed kalpana swara segment gave room for raga-based approach, leading onto taniyavartanam.

Taniyavartanam by **Sai Giridhar** and **G.S. Ramanujam** was colourful and exhilarating, but took too long to conclude though. The end-pieces included Sri Vyasaraya's 'Krishna nee begane barO' in Yamuna kalyani for which Chandan is famous and 'Purandaradasaru's 'Bhagyada Lakshmi Baramma' in unbelievable impressive but clear speed. This great grandson of the legendary Chowdiah is truly the pride of Mysuru.

'Sri Shyama Krishnamruta'- A musical tribute

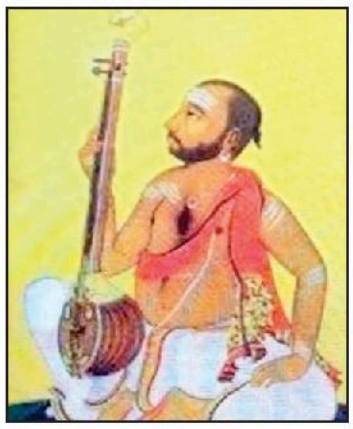
'Sri Shyama Krishnamruta'- A musical tribute to the legendary composer of Karnatak Classical Music 'Sri Shyama Shastri' was a joint venture conducted by Sri Krishna Gana Sabha and Surabhi Gana Kalamandira Charitable Trust, Mysuru, on May 5.

Vid. Dr. C. A. Sridhar, scholar and legendary flautist, was the chief guest along with **B.S. Sridhar Raje Urs,** President of Krishna Gana Sabha and **Dr. Sukanya Prabhakar,** President of Surabhi Gana Kalamandira.

Among the Trinity of Karnatak Music, Shyama Shastri was the eldest in age. He was born on 26th of April 1762 in Thiruvarur and was given the birth name as Venkata Subramanya. He hailed from a family of Priests and worshipers of Goddess Kamakshi of Kanchi. Shyama Shastri's family moved on to settle in Thanjavur. He was well-versed in the fields of Music, Astrology, Vedas and other traditional subjects.

A chance encounter with Sanyasi Sangeetha Swami, a mendicant and musical exponent from Kashi who was passing through Thanjavur, breathed new life into Shyama Shastri's music education and he also learnt music from his maternal uncle and Adiappayya. He started to compose musical compositions from Geethams to complex Krithis in a very young age with the musical mudra / pen name 'Shyama Krishna'.

Shyama Shastri was not into worldly pursuits and had no interest in being a court musician. He has contributed around 300 beautiful compositions to the field of Karnatak music. Among these compositions, he has composed Navarathna Malika (set of of nine compositions) praising the goddess Madurai Meenakshi. He would go on pilgrimage tour and compose swarajathi, varnams and mainly krithis on deities of the temples such as Thiruvaiyaru Dharma Samvardhini, Nagapattinam Neelayathakshi, Thiruvanaikaval Akhilandeswari etc. In his compositions, Shyama Shastri adopted common as well as rare ragas and has composed in three different languages, Tamil, Telugu and Sanskrit. He preferred Telugu as his medium of expression. He is the only one among the Trinity to have composed in Tamil. He has composed masterpieces in ragas, like Ananda Bhairavi and Saveri.



Shyama Shastri

This unique musical feature was directed by Dr. Vidushi Sukanya Prabhakar. Four geethams in ragas like Bhairavi, Saveri, Pharaz and Madyamavati gave a beautiful opening to the programme. These Geethams are very unique, consisting of thristhayi sancharas, swaraksharas and sancharas representing Bhava or essence of that raga.

Beautiful word phrases like Kamakshi Karunakatakshi, Kamakoti Peetagathe and Kaamitha phala Daayike were observed in these geethams. In his compositions, we can observe his sharanagathi and prayers to obtain the anugraha of Goddess Kamakshi. These Geethams were melodiously presented by Anjana, Nisarga, Atri Kaushik, Anagha, Niramaya and Sharanya, the budding artistes of Surabhi.

Followed by the Geethams, three Kamakshi Swarajathis were beautifully presented in the form of Goshti Gayana by students of Surabhi along with Guru Sukanya Prabhakar. These swarajathis are indeed 3 wonderful gems of Karnatak music set in Ragas Yadukula kamboji, Thodi and Bhairavi and tala-vilamba aadi and Mishra chapu. **Vid. Akshatha and Meenakshi** presented two beautiful yet intricate varnas of Shyama Shastri upholding their mastery over those ragas and complex sancharas. These varnas were set in ragas Begade and Saurashtra. Gana maala or a musical garland of 5 rare krithis set in complicated ragas Mukhari, Kalgada, Bhairavi, Reethigowla and Anandabhairavi was soulfully offered to the lotus feet of Goddess Kamakshi by 5 upcoming musicians — **Manya Manjunath, R. Nityashree, Prerana Praveen, Vidu. Meera Manjunath and B. V. Pramukh.** All these compositions were accompanied by **Vid. Prithvi Bhaskar** on violin and **Vid. P. S. Sridhar** on mridanga.

At the end of the recital, Dr. Sridhar spoke about the life and compositions of Shyama Shastri and also regarding the performance of Surabhi students.

Gold rush on *Akshaya Tritiya*

City jewellery shops brim with customers

Mysuru, May 10 (RK&BS)- Heavy rush of customers was witnessed at jewellery shops in city to buy gold ornaments on account of *Akshaya Tritiya*, considered as a auspicious day today. The steep hike in per gram rate of gold in the last three months, was also no reason to deter the people, especially women who feel enamoured by the glint of gold.

The jewellery shops in Central Business District (CBD) area like D. Devaraj Urs Road, Ashoka Road, Bengaluru-Nilgiri Road, Sayyaji Rao Road, Kuvempunagar, Chamundipuram, Vidyaranyapuram, Srirampura, Hebbal and Vijayanagar, to name a few were brimming with customers, with the shops opening doors early in the morning to cash in on the demand.

The shops will remain open till late night hours today to cater to the surge in number of customers, according to the messages shared by the shopkeepers for the benefit of their customers, in WhatsApp groups.

The gold merchants irrespective of big and small, who have been offering attractive schemes for the ease of their customers to pay in instalments did a roaring business, further strengthening the belief that buying gold on this day brings success to the buyer.

The sales executives at the shops were busy attending the customers, who at intervals were treated with beverages. Apart from taking all security measures including CCTV cameras and security guards, the shopkeepers had also requested the jurisdictional Police to conduct patrolling as an additional measure.

According to Karnataka State Jewellers Federation, today's (May 10) gold rate, exempting Goods and Services Tax (GST) is as follows: Rs. 6,700 per gram of 22 carat Gold and Rs. 7,263 per gram of 24 carat Gold.

SIGNIFICANCE OF AKSHAYA TRITIYA

Akshaya Tritiya is believed to be one of the most auspicious times of the year. This is the time when people buy gold jewellery, silver, properties, vehicles or houses. It is believed that things bought on the auspicious day of Akshaya Tritiya will never reduce in value. Akshaya means things that can never be damaged. People worship Goddess Lakshmi and Lord Kuber on this day and seek their blessings.

WORD OF THE DAY

Extemporise

Pronunciation: ik-STEM-puh-ryze (Verb)
Meaning: To extemporise means to do something extemporaneously — in other words, to improvise.
Origin: Let's dive into the essence of extemporise by exploring its origins. (We'll try not to bore you with too many extraneous details.) To extemporise is to say or do something off-the-cuff; extemporise was coined by adding the suffix -ise to the Latin phrase ex tempore, meaning "on impulse" or "on the spur of the moment." (Incidentally, ex tempore was also borrowed wholesale into English with the meaning "in an extemporaneous manner.") Other descendants of ex tempore include the now rare extemporal and extemporary — both synonyms of extemporaneous — and as you have no doubt guessed by now, extemporaneous itself.
Example: "The president was fast on his feet. Sensing an opportunity to extemporise, he looked around the chamber, pleased." —Robin Abcarian, The Los Angeles Times, 12 Feb. 2023.

THE ODD WORD

Earwig

Any of numerous elongate, nocturnal insects of the order Dermaptera, having a pair of large, movable pincers at the rear of the abdomen (noun)

PHRASE OF THE DAY

Fast Friends

Meaning: The phrase 'Fast Friends' is used to describe good, loyal friends.
Origin: Although many believe that the idiom 'fast friends' means friends who developed a liking for one another quickly, the term is actually a shortened form of 'steadfast friends.' The origin of the idiom 'fast friends' comes from an even older version of the word 'steadfast' – Old English treowe meaning faithful, trustworthy and steady in adhering to promises or friends.
Example: "The two of them had been fast friends since college."

SHABD-2024: JSS STU's Celebration of Art and Literature on May 11, 12

Mysuru, May 10 - The Editorial Board of JSS Science and Technology University (JSS STU), Mysuru, is all set to host SHABD-2024, their annual Art and Literary Fest. Scheduled for May 11 and 12, the event promises two days filled with creativity and collective celebration at JSS STU's Golden Jubilee Bhavan.

Renowned lyricist, composer and director of contemporary Kannada cinema, Dr. V. Nagendra Prasad will inaugurate the event in the presence of the Vice-Chancellor, the Registrar, the Principal and the Coordinator.

The Fest will feature a variety of art competitions including Canvas Swapping, T-Shirt Designing, Rangoli and more. In the literature section, participants can engage in English and Kannada competitions such as Love Letter Writing, Quiz, Debate and many others.

SHABD is recognised as one of the largest Art and Literary Festivals organised by an Engineering College in Karnataka. The competitions are open to participants of all ages. There is no registration fees and on-the-spot registrations are also available. The total prize pool for all events amounts to Rs. 70,000.
